Product recall report

Acme Forgings (Acme Forgings Private Limited), Gat 121, Chakan Industrial Area, Pune 410501, GSTIN 27ABCDE1234F1Z5

Recall reference	RCL-2026-00007	Status	OPEN
Recall date	2026-10-28	Generated	31 Oct 2026, 12:00 IST

Reason for recall

Hairline cracks were found in drive shafts from these batches during a customer's incoming inspection. Metallurgy points to incorrect heat treatment on furnace 3.

Action required

Stop using the affected units at once. Quarantine remaining stock, and tell us how many units you hold.
Do not scrap anything: we will arrange collection within five working days.

Quantities
